Redistricting Update

September 1, 2026

Redistricting Update

- Process Overview
- Steering Committee Review
- Steering Committee Recommendation
- Next Steps

Process Overview

December 2024	Scope of work-RFP
March 2025	Contract awarded to MGT Impact Solutions
June 2025	MGT introductory presentation & discussion of Guiding Principles
December 2025	Presentation of student data analysis, resident and division forecast, etc.
January-May 2026	Redistricting steering committee reviews data, considers principles, and develops alternate attendance zone scenarios

Process Overview

May 12-13	Host community information sessions, publish first draft of maps, survey opens
June 16	Presentation to School Board
June-July	Steering Committee meetings
August 4	Steering Committee releases August revision
August 5-16	Community survey
Late August	Steering Committee meeting
September 1	Steering Committee map recommendation

Redistricting Guiding Principles

June 2025

- Utilization
- Demographics
- Neighborhood schools
- Transportation
- Minimize impact
- Feeder pattern

Nov. 2025 Survey Overview

December 2025

	Family	Staff	Student
Survey Participants	2,297 Family respondents represented all schools and grade levels.	786 BB + Elementary: 384 Middle: 142 High: 167 Central Office/Ops: 93	3,713 Grades 4-5: 1,056 Grades 6-8: 1,452 Grades 9-10: 1,205

Survey window: Nov. 7-30, 2025

Nov. 2025: Key Factors from Survey

What are the top five most important things to you regarding WJCC Schools?	Family	Staff	Student
Quality of the school and teachers	#1	#3	#3
Ability for students to continue attending the same school they currently attend or are zoned to attend	#2		#4
Promote overall school safety	#3	#4	#2
Small class sizes and staff caseloads		#1	
Balance enrollment so schools are neither overcrowded nor under-used	#4	#2	
Keep students together (reduce feeder pattern splits)	#5		#1
Balance enrollment by socioeconomic factors		#5	
Quality & variety of student programs, services, clubs, activities			Page 131 of 274 π

Redistricting Guiding Principles

December 2025

- Utilization
- Demographics
- Neighborhood schools
- Transportation
- Minimize impact
- Feeder pattern

Current Feeder Pattern Alignment

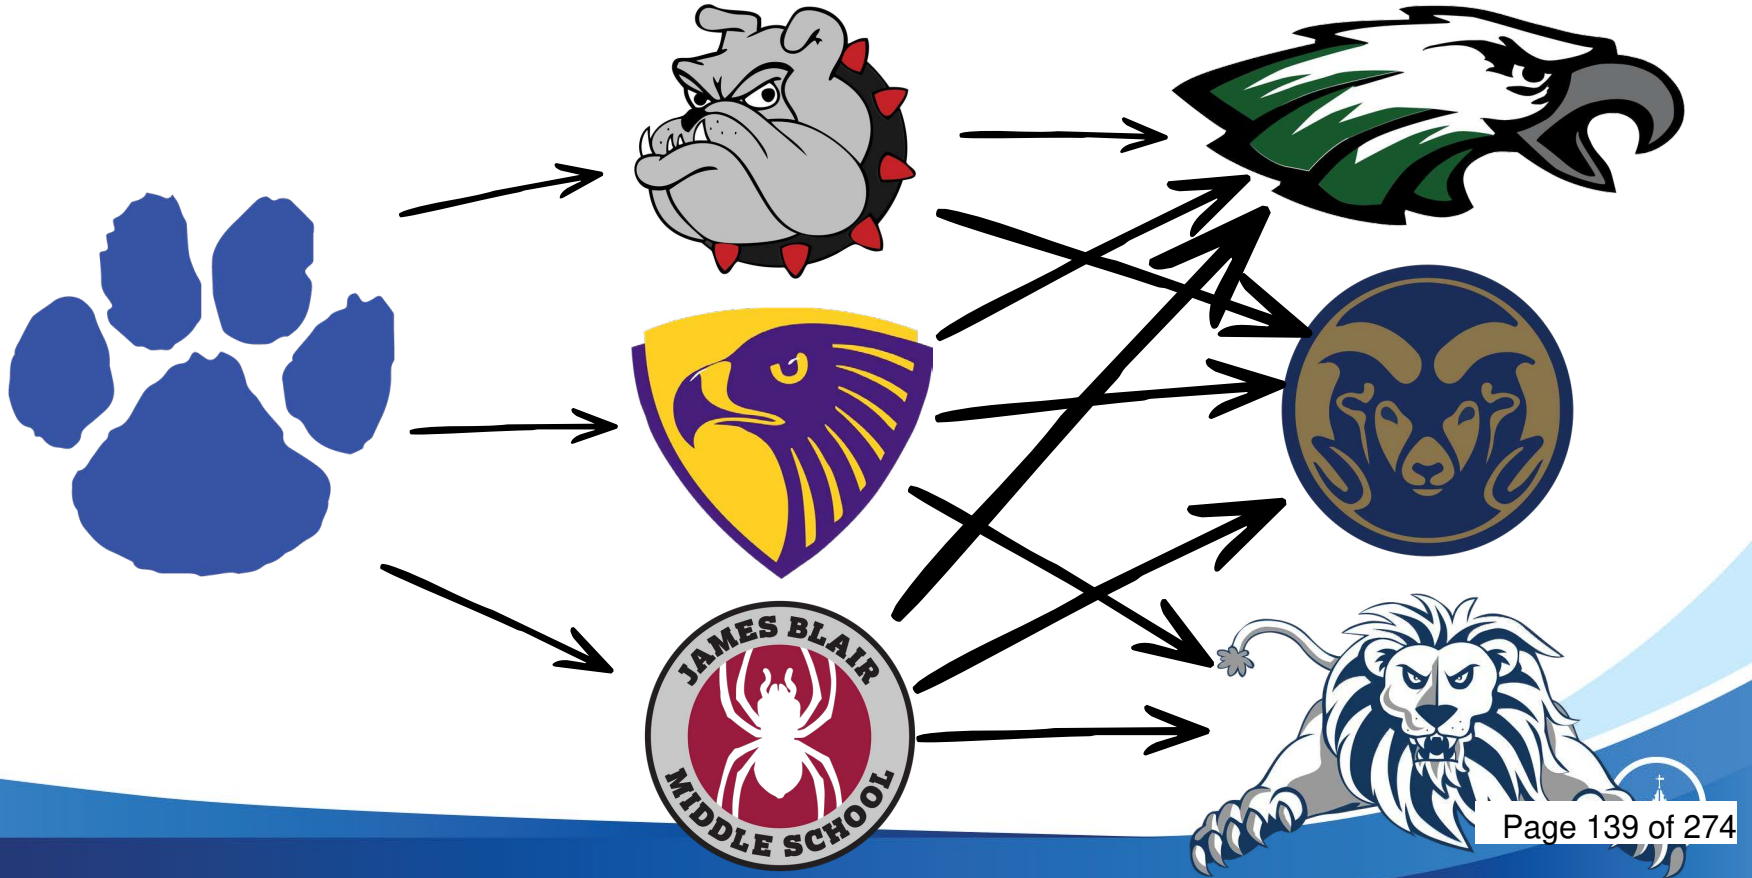

December 2025

Steering Committee Establishment

January-May 2026

- Policy BBA, School Board Powers and Duties
- Policy CBA, Qualifications and Duties for the Superintendent
- Policy JC, School Attendance Areas

Steering Committee Work

January-May 2026

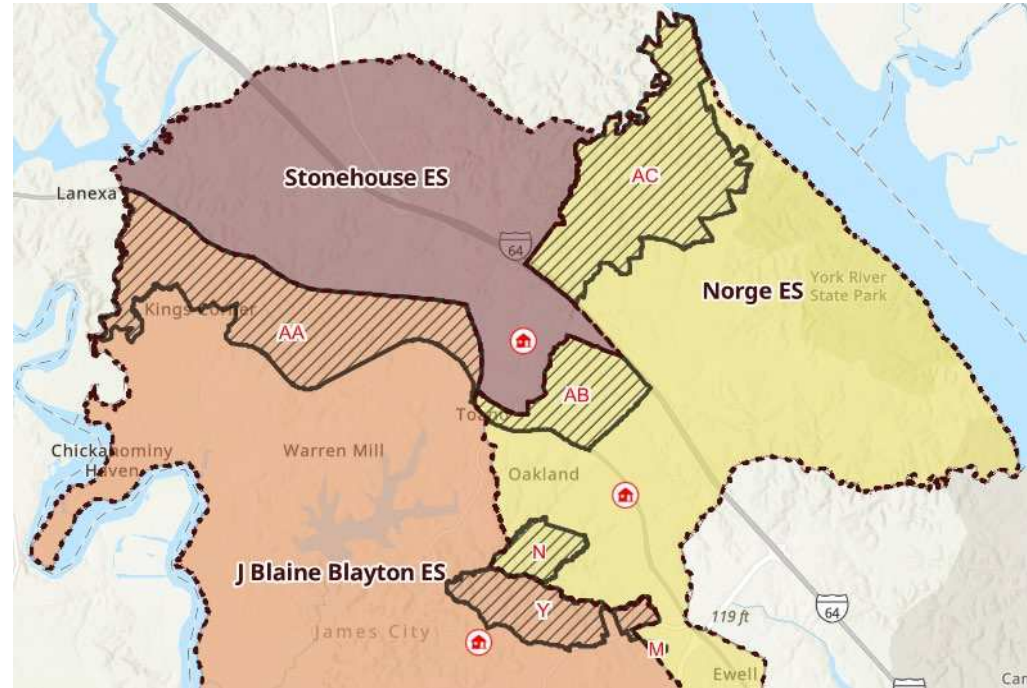

- Committee Composition
 - Expertise represented: Transportation, School Leadership, Special Education, Student Services, Communications & Engagement, Municipal Planning, Community Leaders
 - WJCC residents
- Approach to Map-Making
 - Elementary first, north and south to center
 - Secondary next

Committee's Initial Draft Map

May 2026

Elementary School Revisions

- South of Richmond Rd./Rt. 60 past Chickahominy Rd.
- Mirror Lakes/ Wellington, Upper County to York River
- North of Jolly Pond Rd., Centerville to Cranston Mill Pond Rds.
- North of Centerville Rd., Jolly Pond Rd. to Opportunity Way

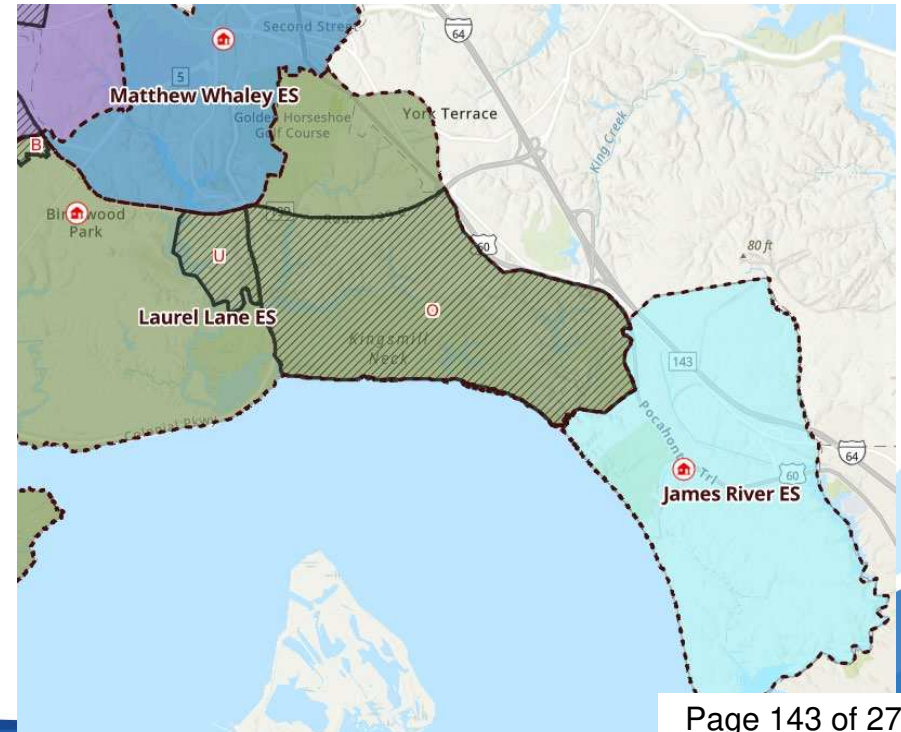

Committee's Initial Draft Map

May 2026

Elementary School Revisions

- Kingsmill and Kingspoint

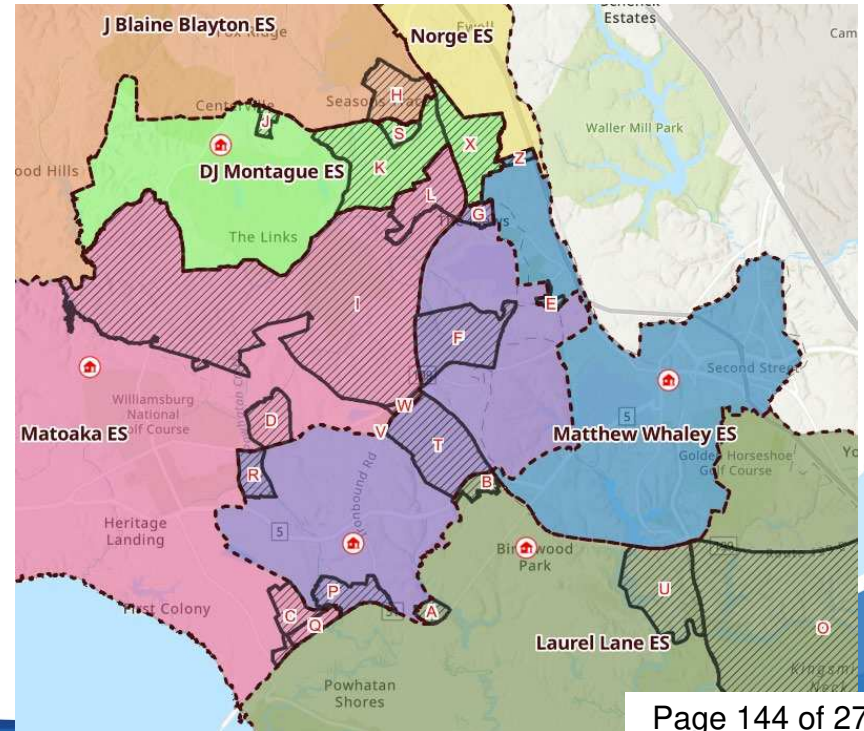

Committee's Initial Draft Map

May 2026

Elementary School Revisions

- Burlington Woods, Lafayette Square, Longhill Gate, Windsor Forest
- Ford's Colony, Founders Village, Powhatan Secondary north of News Road
- Monticello Woods
- The Mews, New Town
- The Meadows, Mill Creek Landing

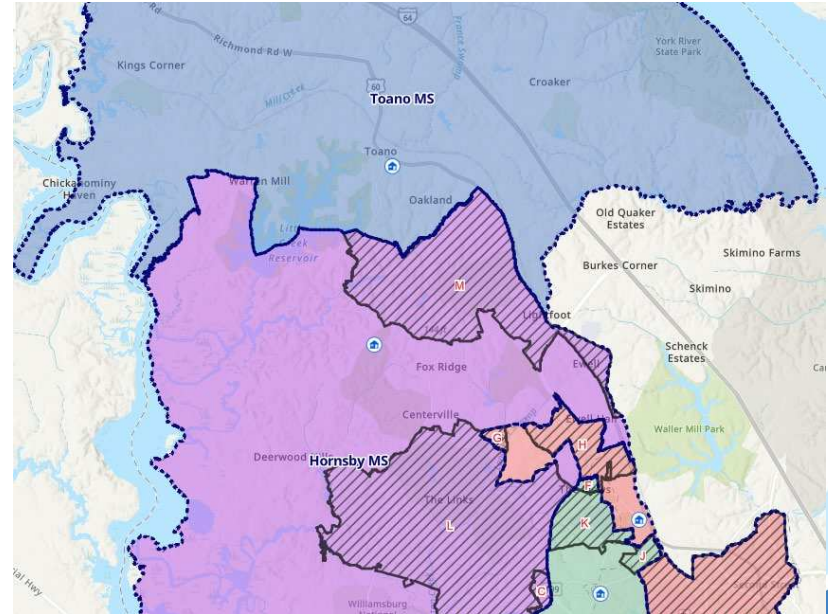

Committee's Initial Draft Map

May 2026

Middle School Revisions

- North of Jolly Pond Rd., Centerville to Cranston Mill Pond Rds.
- North of Centerville Rd., Jolly Pond Rd. to Opportunity Way
- Ford's Colony, Springhill, Powhatan Secondary
- Longhill Gate, Lafayette Square, Olde Towne Rd. from 199 to Chisel Run Rd.
- The Mews
- Eastern State property

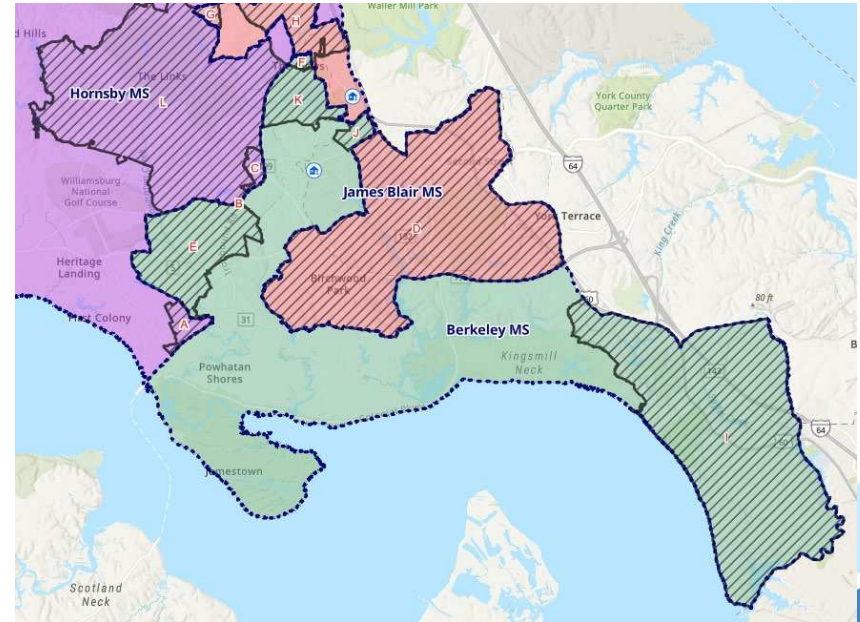

Committee's Initial Draft Map

May 2026

Middle School Revisions

- Grove, southern Rt. 60
- St. George's Hundred, Five Forks, Brandon Woods
- Residential area around Laurel Lane, Holly Hills, campus & Colonial Williamsburg, Second Street, Merrimac

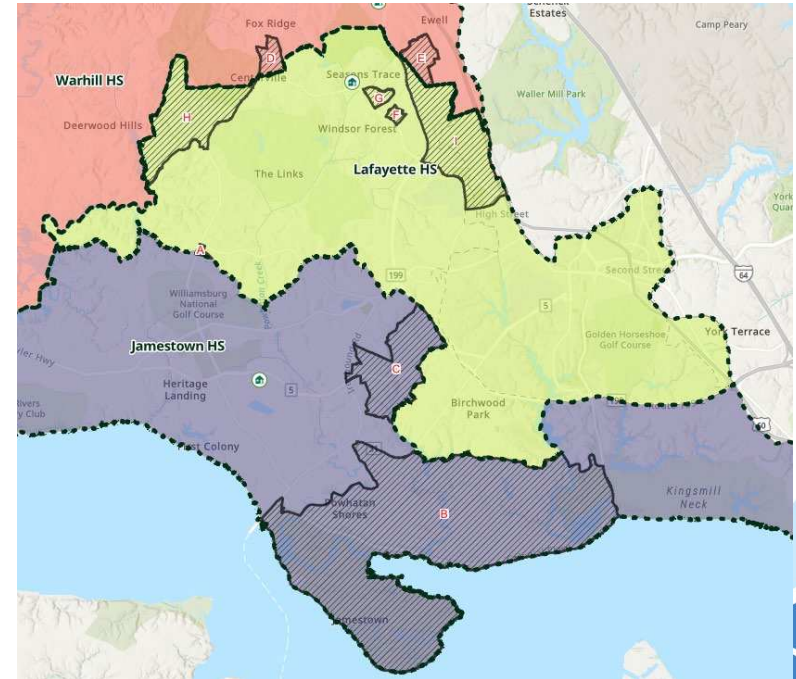

Committee's Initial Draft Map

May 2026

High School Revisions

- Liberty Ridge, Lafayette Square, Chisel Run, Waltz Farm, Skipwith Farms
- Scott's Pond, Forest Glen
- Mill Creek Landing, Indigo Park, Brandon Woods, Treasure Island Rd./Jockey's Neck Trail, Peleg's Point, Powhatan Shores

Community Forums & Survey

May-June 2026

Forums: May 12-13

Survey: May 12-June 7

Respondent Priorities in Map Development:

- Neighborhood Considerations
- Minimize Impact
- Demographics
- Transportation
- Capacity & Utilization

Committee's Revised Draft Map

August 2026

Revisions

- Pointe at Jamestown, portion of 4H Club Rd.
- Portion of 4H Club Road, Foxfield, Jamestown 1607, Oak Hill, Jamestown & Sandy Bay Rds.
- Seasons Trace
- Longhill Grove, Warhill Green, Powhatan Apartments (Longhill & Centerville Rds.)

Committee's Revised Draft Map

August 2026

Considerations

- Ford's Colony
- Kingspoint
- Mirror Lakes/Wellington
- Scott's Pond
- Residents that access JBB via Cranston Mill Pond Rd.
- Treasure Island Rd., Jockey's Neck Trail area off Lake Powell Rd.

Survey Overview

	Family	Staff	Community
Survey Participants	1,092	181	160 Current student: 21 Current staff: 22 Current parent: 110 Future parent: 9 Resident: 39 Other: 5

Survey window: Aug. 5-16, 2026

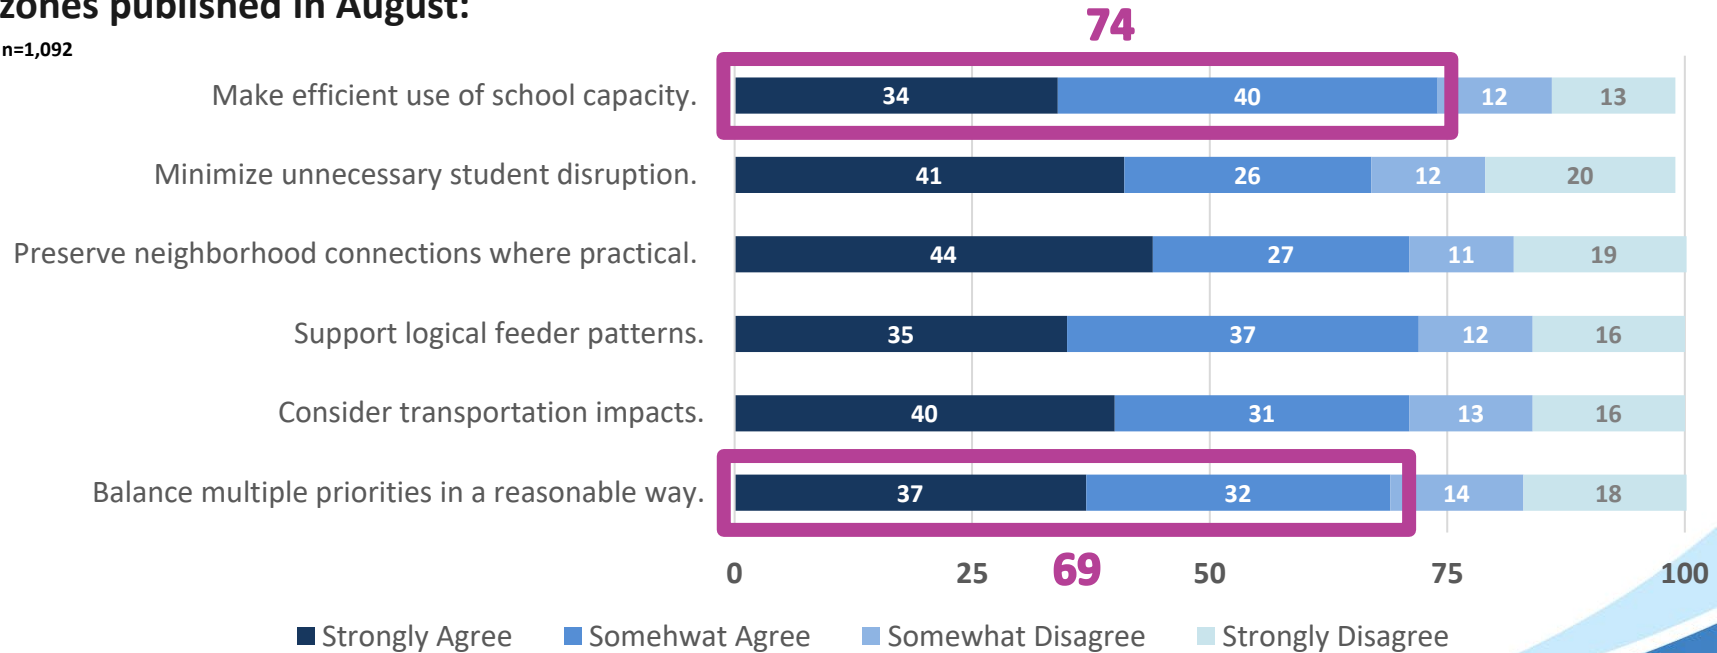

Respondents may select
multiple affiliations.

Survey Results-Family

September 2026

Based on the information provided about the map revisions, the revised attendance zones published in August:

n=1,092

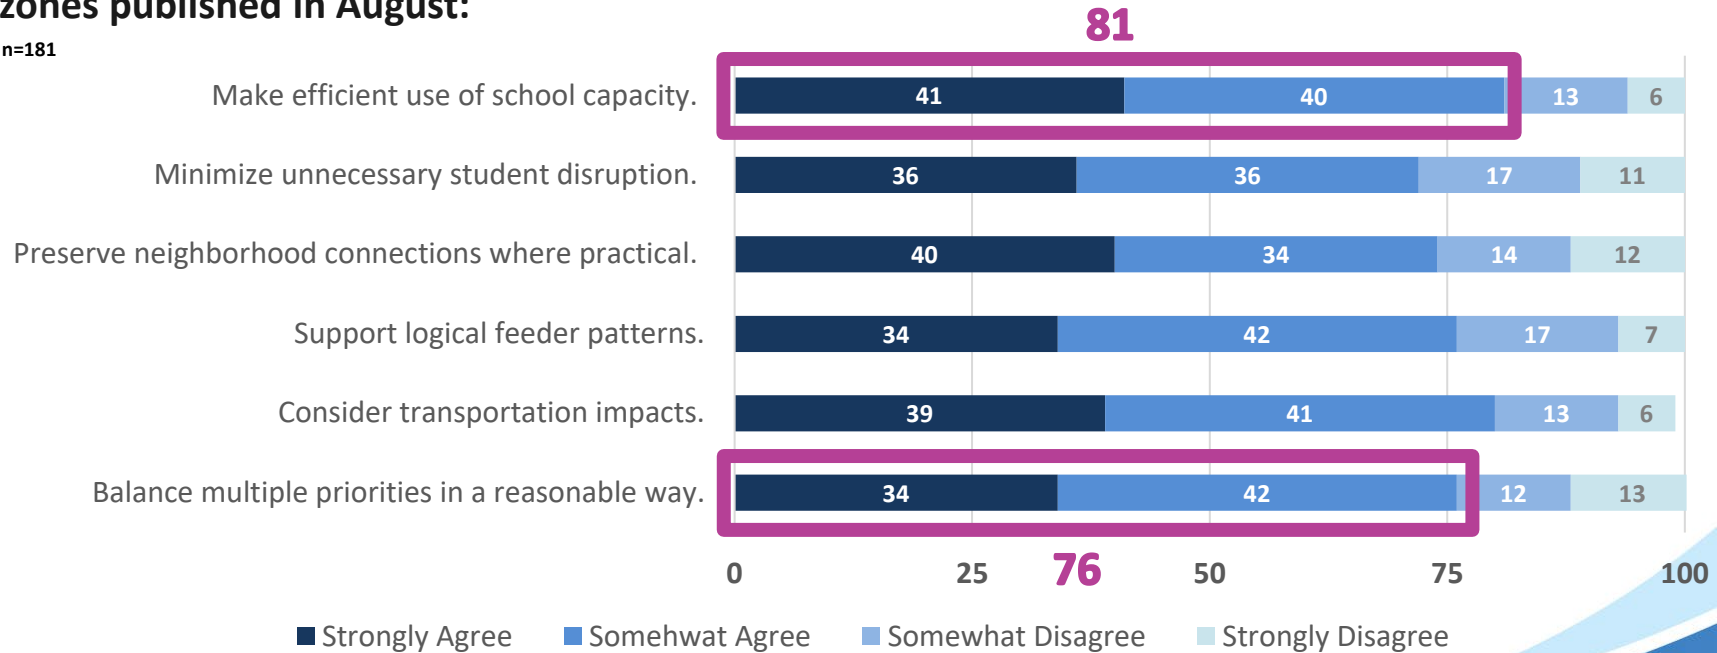

Survey Results-Staff

September 2026

Based on the information provided about the map revisions, the revised attendance zones published in August:

n=181

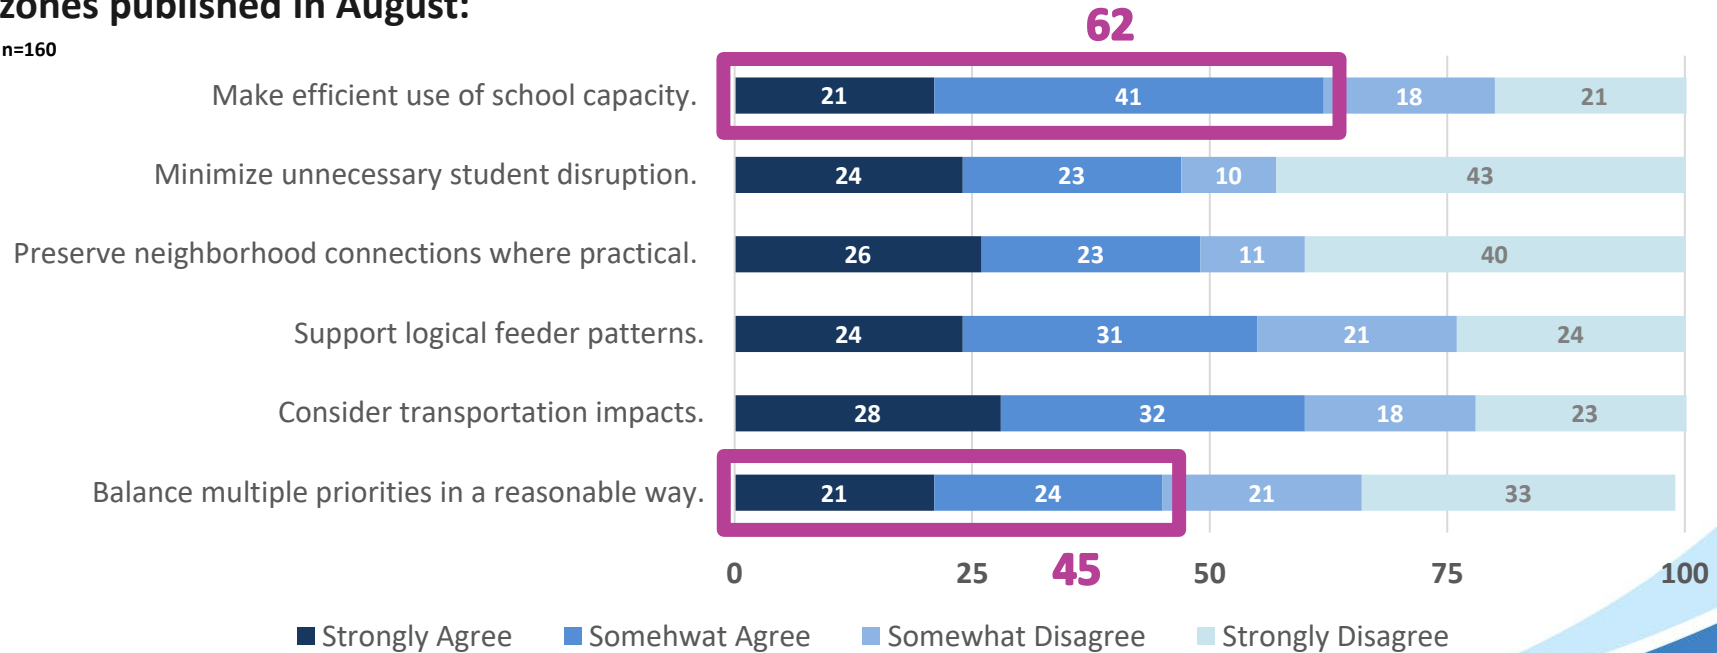

Survey Results-Community

September 2026

Based on the information provided about the map revisions, the revised attendance zones published in August:

n=160

Survey Results

September 2026

Which topics, if any, should the Steering Committee and Dr. Keever review as they prepare their attendance zone recommendations? (select up to 3)	Family n=1,092	Staff n=181	Community n=160
Building utilization/capacity	28%	48%	24%
Demographics	24%	46%	42%
Neighborhood considerations	54%	38%	58%
Transportation	43%	37%	34%
Feeder pattern alignment	17%	22%	18%
Reducing level of impact	40%	33%	53%
None of the above	8%	6%	1%
Other	7%	6%	11%

Committee's Final Considerations

September 2026

Considerations

- Neighborhood considerations
 - Ford's Colony
 - Mirror Lakes/Wellington
 - Scott's Pond
- Building utilization/capacity
 - Long-term sustainability and development
 - Future school construction (Stonehouse)

Committee's Final Considerations

September 2026

Considerations

- Transportation
 - Proximity between residence and proposed school assignment
 - Ride length
 - School start times
- Reducing level of impact
 - Implementation questions

Steering Committee Recommendation

The Redistricting Steering Committee unanimously recommends its August draft, with no further change, to Dr. Keever.

Building Utilization - Elementary

Take a division-wide perspective in considering school capacities and growth trends.

ELL: English Language Learners

Language Instruction Educational Program (LIEP)

Level 1: Minimal understanding
Level 2: Basic comprehension
Level 3: More complex sentences
Level 4: Can express ideas clearly
Level 5: Approaching proficiency
Level 6: Proficient

*Monitor Students- Former English Learners
(FEL) Level 4.4 – 6*

Language Instruction Educational Program (LIEP)

Language Levels	Staff:Student Ratio
Level 1: Minimal understanding	1:20
Level 2: Basic comprehension	1:30
Level 3: More complex sentences	1:40
Level 4: Can express ideas clearly	1:50
Monitor Students (Level 4.4-6)	1:100

Demographics: Special Education (Elem.)

Consider racial and ethnic diversity, as well as socioeconomic indicators, within schools.

SPED: Students with IEPs

Special Education Staffing

- Points correspond to a student's disability and level of service
- Aggregate points determine staffing needs to serve the students in a school
- Caseloads are limited by points, determining when additional staff members are needed

Minimize Impact

Minimize disruption where possible.

Total projected impact: 1,805/11,103 (16%)

Elementary (2027: Rising 1 st -5 th Grade)	Middle (2027: Rising 7-8 th Grade)	High (2027: Rising 10-12 th Grade)
837/4,819 17%	634/2,572 25%	334/3,712 9%

Students entering kindergarten, 6th, and 9th grades were withheld from count.

Feeder Pattern Alignment: ES -> MS

Avoid small cohorts splitting from peers in the transition to middle school and high school.
