

Title: Teaching About Drugs, Alcohol, ~~and Tobacco~~, Gambling, and Electronic Devices

Code: IGAG

Book: WJCC Policy Manual

Section I: Instruction

Williamsburg-James City County Public Schools provides instruction concerning

- drugs and drug abuse,
- the public safety hazards and dangers of alcohol abuse, underage drinking, underage marijuana use, and drunk driving,
- the health and safety risks of using tobacco products, hemp products intended for smoking, nicotine vapor products, and alternative nicotine products, ~~and~~
- gambling and the addictive potential thereof; and
- time spent using electronic devices such as computers, cell phones, and other smart devices and the addictive potential thereof.

The Williamsburg James City County School Board provides a program of instruction on opioid overdose prevention and reversal in each secondary school with grades 9 through 12, which includes instruction in identifying the signs of possible opioid overdose and training in the administration of an opioid antagonist for the reversal of a potentially life-threatening opioid overdose. This program is provided in grades 9-12.
