TOPIC:

Elevate '28 Strategic Updates

BACKGROUND:

In October 2024, the school board approved the realignment and updating of the Strategic Plan, *Elevate Beyond Excellence Bridge to 2028*. The plan includes aims that reflect the changes that WJCC Schools plans to achieve, and goals that represent the measurable targets WJCC Schools will use to determine progress towards each aim. The plan represents a roadmap with Key Performance Indicators (KPIs) to measure and report on the school division's progress.

RATIONALE:

The school division adopted a strategic plan to create a system of continuous improvement. Updates are provided to the board and public to report on progress, with this presentation focusing specifically on the KPIs for the Supporting Priorities: Safety & Security, Human Capital & Positive Culture, Communications & Engagement, and Organizational Efficiency & Effectiveness. Executive leadership team members will also outline action steps aligned with each strategic priority for the 2026-27 school year.
